

UNLEASH YOUR INNER HERO

"The United Way helped save our organization several years ago when they became involved with the Community Care N' Share Café in Emily. We provide meals, once a week, to the community and feed between 200 to 250 people each week. Today, they continue to help us feed the hungry and nourish souls. We likely couldn't do what we do without United Way."

GORDY HUFF

BOARD CHAIR OF THE
COMMUNITY CARE N' SHARE
CAFÉ IN EMILY
