

Announcing Our 2022-2023 Partner Programs!

We are proud to announce our program partners for 2022-2023, which were selected by our Vision Council for the impact they have on addressing community needs! Funds raised over the next year will support their work, in addition to our own Lakes Area United Way programs like the Dolly Parton's Imagination Library and GetConnected.

Education helping people achieve their potential

Health building accessibility to affordable and quality care

Financial Stability promoting stability and independence
